INTERNSHIP CERTIFICATE

Ref No: VDPL/INT/2025/4 Date of Issue: 30 July 2025

To Whom It May Concern,

This is to certify that Mr. Yash Kumar Rana successfully completed a two-month internship at Vurtux Digital Private Limited from _5 June 2025_ to 5 August 2025 as a Backend Engineering Intern.

During his tenure, Mr. Yash contributed to the Node.js backend of the myuzePlay app, our audio entertainment platform. His responsibilities included:

- Building and maintaining RESTful APIs using Node.js (Express).
- Implementing authentication/authorization (e.g., JWT) and role-based access where required.
- Designing and optimizing MongoDB data models and queries.
- Writing clear API documentation and collaborating via Git/GitHub and Postman.

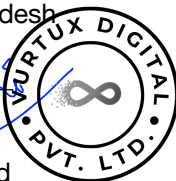

Following best practices for error handling, logging, and performance improvements.

We found Mr. Yash to be a very talented resource—diligent, quick to learn, and proactive in solving problems. His communication and teamwork were exemplary, and he consistently delivered high-quality work within timelines.

This certificate is issued to acknowledge his contribution and the successful completion of his internship at Vurtux Digital Private Limited.
